2. Time Limits for Submitting a Complaint

Complaints should be submitted within 3 months of the incident or concern arising.

The time limit, however, can and should be waived, if:

- It is still practical and possible to investigate the complaint (the records still exist and the individuals concerned are still available to be questioned, etc.) and
- The complainant can demonstrate reasonable cause for delay in making the complaint

It is at the discretion of the manager of the service if the time limit can be set aside.

3. Complaints Procedure:**Step 1**

When a complaint is raised to staff, staff will make an effort to resolve it immediately to the satisfaction of the complainant.

Step 2

If the complaint relates to that individual, the staff member will report the complaint to the member of staff who is next in line in seniority.

Step 3

Formal acknowledgement of all written complaints received will be sent within 5 working days to the complainant. This could be via letter or email. Delamere Health Ltd will have a local system in place to manage out-of-hours and weekend complaints received.

The acknowledgement may include:

- An invitation to meet and discuss the complaint
- Who will be investigating the complaint

- A time limit for the investigation to be concluded. This should be 28 working days. However, some cases may take longer and the complainant will be made aware of this
- The complaints procedure and contact details of bodies that can be accessed in the event of dissatisfaction with the outcome of the investigation

Step 4

Delamere Health Ltd

- A summary of the issue from the complainant's point of view
- Details of the evidence and sources consulted in order to investigate the issue fully and fairly
- A presentation of the findings for each issue clearly and concisely described
- A conclusion, stating clearly whether the issue is 'upheld', 'partially upheld' or 'not upheld'; unless it is ineligible, in which case the reason for this will be given, e.g. out of time or out of jurisdiction
- An explanation of the outcome and whether any remedial action or learning points arise from the investigation of that issue
- An apology where the issue is upheld and shortcomings or failings have been found
- The complainant's rights if not satisfied with the outcome to refer to The Local Government and Social Care Ombudsman
- A signature from the responsible individual or sent by email in their name

Step 5

The complaint will be closed once confirmation has been received that there is satisfaction with the outcome. In the event of dissatisfaction, Delamere Health Ltd will support the complainant to access further support. (Refer to section 5.9 and 5.10)

4. The Complaints Log

A record will be held of all complaints raised and contain the following information:

Where complaints are raised by telephone, the log will include the date and time of the call and this will be followed up with written confirmation of the areas discussed.

Where a complaint indicates the potential abuse of Guests, safeguarding policies will be followed as per local authority expectation and necessary notifications made to the regulatory body. Where care is commissioned by Cheshire West and Chester, their reporting procedure for notifying them of complaints will be followed.

Where necessary, advice and support will be sourced via senior managers within the organisation. The complaint must be investigated by a member of staff with the knowledge, experience and seniority to undertake the investigation robustly.

Confidentiality of information will be considered at all times and staff will adhere to the confidentiality policies and relevant codes of practice.

Appropriate action will be taken without delay to respond to any failures identified by a complaint or the investigation of a complaint.

If an investigation of a complaint results in disciplinary action against staff within Delamere Health Ltd, the complaint will continue to its conclusion. The complainant will be informed that the investigation has led to the disciplinary process, but the details of the outcome or ongoing investigation will remain confidential.

Delamere Health Ltd conducts investigations impartially and without discrimination, the approach to a Guest's support will remain unchanged in this way and indiscriminate treatment will be provided.

One Complaint, One Response

Delamere Health Ltd will follow the Local Government and Social Care Ombudsman best practice (a link to which can be found in the Underpinning Knowledge section of this policy) and. Delamere requests that once a formal acknowledgement of the complaint has been made in response to the receipt of the complaint, the complainant then allows Delamere the time to investigate and respond. Delamere will not respond to persistent repetition of the initial complaint and request that further communication on the matter within the allotted timeframe relates only to new information.

6. Who is Responsible for Complaint Resolution at Delamere Health Ltd?

All efforts will be made by Youssef Spiro to resolve all complaints within Delamere Health Ltd. If a particular Guest does not wish to raise a complaint directly with management within Delamere Health Ltd, in the first instance, staff will try and sensitively establish their reasons why and aim to resolve and address any concerns that present.

Delamere Health Ltd recognises the importance of Guests being able to speak freely and raise a concern or complaint regarding anyone in the organisation, including the Registered Manager. Guests are provided with information relating to who to contact in the event that this is necessary.

Handling Complaints About the Registered Manager

If the complaint relates to the conduct of the Registered Manager:

Alternative Contact - The person making the complaint may feel more comfortable directing their complaint to the nominated individual, Martin Preston.

External Investigation - To ensure impartiality, Delamere Health Ltd may instruct an external professional, such as a health and social care consultant or an alternative social care provider registered with CQC, to conduct the investigation on its behalf.

This process ensures that all complaints are managed fairly and impartially.

Please see the Complaints Procedure for Guests in the Forms section.

7. Anonymous Complaints

Anonymous complaints will be investigated in the same way as named complaints. They will be logged and any corrective action necessary will be taken and also logged.

8. The Right to Appeal a Decision and Internal Review

Following the outcome of the investigation, if the complainant is dissatisfied with the response or handling of information, they have the right to appeal the decision by Delamere Health Ltd. Upon being notified of this Delamere Health Ltd will conduct an internal review of how the complaint was handled. The investigation will be conducted by a member of the board with suitable standing that is not the original responder to the complaint, such as Martin Preston.

When to Appeal:

- You believe that the outcome of a complaint was incorrect and disagree with the initial decision
- You disagree with the initial decision as you suspect there was a failure in the complaint process such as insufficient investigation, a misunderstanding of your complaint or a misinterpretation of evidence
- You can provide new evidence or information that wasn't available during the initial complaint that affects the outcome
- You feel the decision is unfair or unreasonable

Delamere Health Ltd recognises that as a key part of transparency and continuous improvement, conducting an internal investigation of this process is necessary before signposting the complainant to an external body.

9. Unresolved Complaints & Independent Review

Following the initial handling of the complaint and the appeal process, in the event that the Guest feels their complaint is unresolved, there are many bodies that can support or will need to be informed to assist with this (to ensure there is no bias). These services may conduct an independent review on how the complaint has been handled and will consider if the complaint has been:

- Handled fairly
- Investigated thoroughly and efficiently, exploring all the facts

- Handled objectively

They will issue a final report that outlines their findings and recommendations.

Delamere Health Ltd will fully cooperate with this process and provide the independent reviewer all the information required to ensure transparency. We have a commitment to continuously improve, as part of that commitment we fully understand the importance of learning from the outcomes of this process.

The following external bodies can assist with a complaint that a person feels remains unresolved:

1. The Care Quality Commission

The Care Quality Commission will not investigate complaints on behalf of individuals but does like to be informed of any concerns regarding a care provider, such as poor care that has been seen or experienced. Information given to the CQC will help to prevent others from going through the same experience and can be fed back via:

3. Integrated Care Systems

Individuals can make a complaint about a health service they are receiving or have received and can discuss this with the commissioner of the service.

4. Local Authority Complaints Teams

Individuals can make a complaint about organisations that provide services on the Council's behalf. The contact details for the Local Authority Complaints Team are:

Local Authority Complaints Team

5. Professional Bodies

If a complaint involves the serious misconduct of a healthcare professional, their relevant professional body can be informed and this is determined on an individual case basis in discussion with the Registered Manager.

For any external bodies managing complaints, Delamere Health Ltd will work with the external body providing information as requested, within any agreed timescales expected.

Decisions to raise complaints outside of Delamere Health Ltd will be fully respected and the Guest will be supported to raise their complaint with the commissioner of the service or to seek the support of an independent advocate or representative. Staff can also refer to section 5.6 for a further list of organisations that can be accessed.

Guests can also be signposted to Citizens Advice guidance.

10. Vexatious Complaints

Occasionally, Delamere Health Ltd may receive complaints that are vexatious in that they cause considerable disruption to the work at Delamere Health Ltd, disproportionate cost and time to handle, and impact the wellbeing of staff (because of the way the complaint is made or because of its repetitive nature).

Delamere Health Ltd will ensure that it meets the requirements of the Equality Act 2010 to make 'reasonable adjustments' for disabled Guests. In some circumstances, Guests may have a disability that makes it difficult for them to either express themselves or communicate clearly and/or appropriately. Where there is an indication that this may be the case, Delamere Health Ltd will consider the needs and circumstances of the Guest or complainant in the first instance and use this information to inform any decisions that are made.

Where appropriate, Delamere Health Ltd will consider complaints to be vexatious, but would not label an individual complainant as vexatious. Even if Delamere Health Ltd

decides that an individual's complaint about the service is vexatious, that does not preclude that person from making a formal complaint. Delamere Health Ltd would still consider any such complaints in line with the usual procedures, as outlined in this policy.

To help decide whether a complaint is vexatious Delamere Health Ltd will consider the full history and context of interactions with the individual making the complaint, and will look at both the nature of the complaint and the manner in which it is made. The particular issues that will inform a decision will include whether:

- The primary purpose and/or effect of the complaint is to disturb, disrupt and or/ pressurise Delamere Health Ltd, its staff or an individual member of staff
- The primary purpose and/or effect of the manner in which the complaint is made is to disturb, disrupt and or/ pressurise the Delamere Health Ltd, its staff or an individual member of staff
- The complaint is otherwise clearly unreasonable

If at any point in the handling of a complaint a member of staff believes it meets the criteria to be deemed vexatious, it must be referred to the Registered Manager with a summary of why it is thought to be vexatious.

Youssef Spiro will consider the complaint, seek external advice if appropriate, and will either declare the complaint as being vexatious or not. Where a complaint is not deemed to be vexatious it will be returned to the appropriate point in the complaints handling process.

If a complaint is deemed to be vexatious, the Registered Manager will respond directly to the complainant explaining why it is thought to be so and will explain that the complaint will be closed with no further action. The Registered Manager will also consider if the making of a vexatious complaint also requires the application of a restriction on communication following unreasonable behaviour.

The decision to declare a complaint as vexatious will be recorded in the complaints register for future reference.

Any declaration that refers to the specific complaint being vexatious and any further complaints from the same individual will still be considered.

If any individual wishes to challenge a decision made in relation to this policy, and all attempts to resolve the complaint locally have been unsuccessful, details of the Complaints Team of Cheshire West and Chester and Parliamentary and Health Service Ombudsman (PHSO) will be shared with the complainant.

Delamere Health Ltd values feedback from complaints as a critical tool for continuous improvement. It commits to thoroughly analysing all complaints received to identify patterns and areas for enhancement. Specific actions or changes that may be implemented based on complaints include revising policies, providing additional staff training, updating procedures, and enhancing communication channels. Each complaint will be documented and actionable insights and lessons learnt will be shared with relevant stakeholders to ensure that corrective measures are taken promptly to prevent recurrence and improve overall service quality.

Reviewing the Effectiveness of the System at Delamere Health Ltd

Complaints Procedure for Service Users - QQ03

1. Introduction

We always aim to provide a high standard of care in all our services.

Our Guests' views are important to us and help to ensure our services are consistently meeting people's needs. If you are unhappy with any of our services, it is important that you let us know.

If a complaint alerts us to possible abuse or neglect, we will tell the Local Authority's Adult Safeguarding Team. The Safeguarding Team will decide how to investigate and monitor outcomes.

2. Making a Suggestion

Often people feel more comfortable suggesting improvements than complaining formally. Suggestions can be made by anyone receiving services, or their friends/family. To make a suggestion you can:

- Speak to the manager or their deputy
- Utilise available comments or suggestion boxes if you would rather make your suggestion that way
- If the suggestion is something that Delamere Health Ltd as a company needs to consider, you can send it to:

Registered Manager

Delamere Health Ltd

11 Riverview
The Embankment Business Park
Vale Road
Stockport
Cheshire
SK43GN

3. Making a Complaint

We aim to handle complaints quickly, effectively and in a fair and honest way. We take all complaints seriously and use valuable information from investigating to help us improve the service we provide. We treat all complaints in confidence.

Delamere Health Ltd assures Guests and their families that it will not withdraw or reduce services because someone makes a complaint in good faith.

4. Who Can Complain

Anyone affected by the way Delamere Health Ltd provides services can make a complaint.

A representative can make a complaint for the affected person if they:

- Have died
- Cannot make a complaint themselves, or

- Have given consent for the representative to act on their behalf

If you are not happy about making a complaint yourself and you do not know someone who can talk or write to us on your behalf, we will be happy to find someone from an independent organisation to act as an advocate for you.

5. How You Can Make a Complaint

You can complain:

- In person
- By telephone
- In writing
- Through a member of our staff
- Through an advocate or representative

Where someone complains verbally, we will make a written record and provide a copy of it within 3 working days

- By letter
- By email

6. Anonymous Complaints

We deal with anonymous complaints under the same procedure. However, it should be noted, if you provide contact details, we can update you on the outcome of our investigation.

7. Responsibility

The Registered Manager has overall responsibility for dealing with all complaints made about their service.

We will provide, as far as is reasonably practical, support for Guests, friends and family who wish to make a complaint but understand that they may wish to contact Martin Preston or Care Quality Commission directly.

This includes:

- Providing any help needed to understand the complaints procedure
- Providing advice on where you may get that help
- Providing advice and information in an accessible format about making a complaint in a way you can understand

If the complaint relates to the conduct of Youssef Spiro, you may feel more comfortable to direct your complaint to Martin Preston or Martin Preston.

There may be times where the registered manager and nominated individual are the same person. In order to conduct an investigation impartially, Delamere Health Ltd may enlist an external professional such as a health and social care consultant or alternative Social Care provider who is registered with CQC to complete this process on our behalf.

8. How We Handle Complaints

The Registered Manager or Delamere Health Ltd may ask one of the management team to investigate the complaint. That person will have enough seniority and experience to deal with the issues raised by the complaint.

Delamere Health Ltd

We will formally acknowledge a complaint within **3** working days and give you the name and contact details of the person investigating it.

We will keep you informed about the progress of the investigation. We aim to have all complaints finished within **28 working days** unless we agree a different time scale with you.

When we have finished investigating, we will arrange to meet with you to discuss the outcome, and write to you with:

- Details of the findings
- Any action we have taken
- Our proposals to resolve your complaint

9. Time Limits

You should complain as soon as you can after the date on which the event occurred or came to your notice. If you complain more than twelve months later, we may not be able to investigate properly. However, we will consider whether you had a good reason for not making the complaint sooner and whether, despite the delay, it is still possible to investigate the complaint effectively and fairly.

10. Further Steps

1. At any stage during the process, if you are not happy with the way Delamere Health Ltd is dealing with your complaint you can contact Martin Preston at:
Delamere Health Ltd

11 Riverview

2. . Once we have dealt with your complaint, if you are unhappy with our response or handling of information you have the right to appeal our decision. We will conduct an internal review of how the complaint was handled. The investigation will be conducted by a member of staff with suitable standing that is not the original responder to the complaint, such as the Martin Preston.

When to Appeal:

- You believe that the outcome of a complaint was incorrect and disagree with the initial decision
- You disagree with the initial decision as you suspect there was a failure in the complaint process
 - Such as insufficient investigation

- A misinterpretation of evidence
- You can provide new evidence or information that wasn't available during the initial complaint that affects the outcome
- You feel the decision is unfair or unreasonable

We will conduct our review and aim to respond with our findings within 20 working days.

3. Following this process, if you are not happy with the outcome you can refer your complaint to the Local Government and Social Care Ombudsman and ask for it to be reviewed. The Local Government and Social Care Ombudsman provides a free, independent service.

You can contact them at:
